

American Recovery and Reinvestment Act Weekly Briefing

June 5, 2009

Missouri Department
of Transportation

Events and News

- The Missouri Highways and Transportation Commission awarded 16 Recovery Act projects this week for the amount of \$30 million. This brings the total to 107 projects awarded worth \$208.6 million. The awarded bid amounts for all Recovery Act projects are 8.2 % below programmed estimates.
- As of June 5, the Federal Highway Administration has obligated a total of \$322.5 million in Recovery Act funds for Missouri. All Recovery Act funds distributed to Missouri for roads and bridges must be obligated by March 2, 2010.
- President Obama marked the 100th day since he signed the Recovery Act by releasing a report showcasing 100 projects underway across the nation. Included were four of MoDOT's Transportation Enhancement Program projects in southwestern Missouri, including the Route 66 Welcome Center in Webb City.
- A FHWA review committee will be in Missouri the week of June 22. Additional information will be provided as it becomes available.
- To date, 13 Recovery Act projects have been completed.
